

# U-TEL<sup>TM</sup> Multi-Function LED Light

## EL SERIES

### Features

- Patent Product
- Lifetime more than 35,000 ~ 50,000 hours
- Super brightness
- Multi-Function: Auto Emergency Light, Auto Night Light, Battery Charger, Handy Torch
- Use super bright 5 mm white LED bulbs or high power LED
- Power and money saving
- Auto light up when power failure
- Auto detect luminosity and turn on Night Light
- Built-in AC power charging system with automatic protection for over-charge
- Palm size, light weight and streamline shape

### Specification

Model	EL-101 (5φ Lamp)	EL-801 (High Power)
Functions	Auto Emergency Light    Auto Night Light	Battery Charger    Handy Torch
LED type and number	Main light: 6 pcs 5φ white LED Night light: 2 pcs 5φ amber LED	Main light: 2 pcs 1W high power LED Night light: 2 pcs 5φ amber LED
Lighting time (Reference)	1600 mAh NiMh battery: 8 hours 1800 mAh NiMh battery: 10 hours 2000 mAh NiMh battery: 12 hours	1600 mAh NiMh battery: 3 hours 1800 mAh NiMh battery: 4 hours 2000 mAh NiMh battery: 5 hours
CDS sensor	Auto detect luminosity and activate Night Light	
LED indicator	Red: charging    Red/Green: full charged	
Input power	AC 85-265 V switching power	
Power source	4 AA rechargeable battery	
Housing material	94-V0 (ABS) Heatproof & Fireproof	
Housing color	White	
Dimension	156 x 48 x 55 mm ( L x W x H )	
Weight	160 g ( not include battery )	

### Package contents

LED multi-function Light, Instruction (printed on paper box), 4 AA Rechargeable Battery (optional)

### Packing information

1 pc packed in a paper box (18\*10\*6 cm)
